

## Number of employees

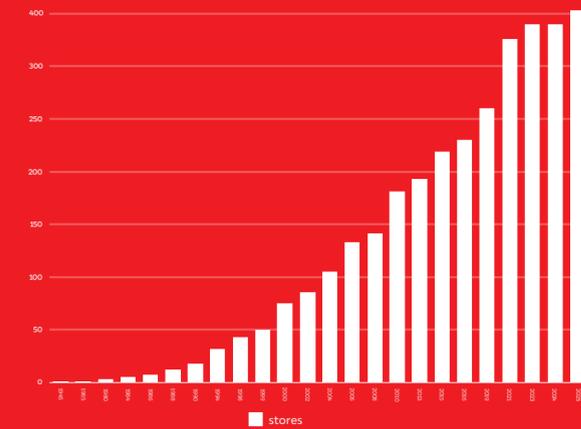

FROM 1977 - 2025

The human element is the basis of our success. The XXXLutz Group as an employer of more than 27,300 employees has made it its mission to be a competent partner to all employees. The group is especially proud of the many qualified employees and managers, the majority of which has been employed internally.

## Expansion 1945 - 2025

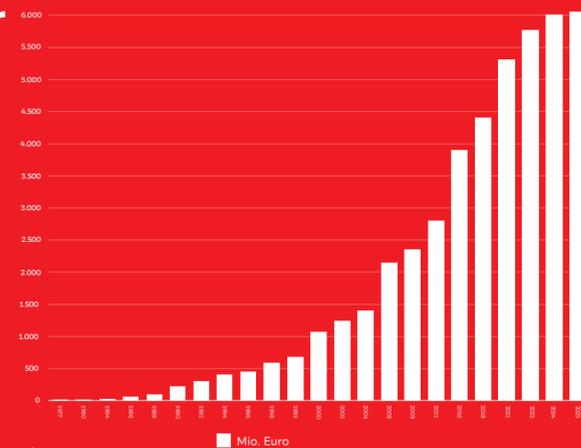

Over the past decades, XXXLutz Group has opened an average of six furniture stores each year. Today, XXXLutz Group operates more than 400 furniture stores in Austria, Germany, the Czech Republic, Slovakia, Hungary, Slovenia, Croatia, Bulgaria, Switzerland, Romania, Poland, Serbia and Sweden. The logistics department plays a central role here, supplying all stores from large central warehouses.

## Development of turnover

1977 - 2025

Over the past three decades, XXXLutz Group has experienced continuous and stable growth. Due to its unique customer focus, the XXXLutz group of companies has been able to thrive continuously, far surpassing general economic development. With a turnover of more than EUR 6 billion in 2025, XXXLutz Group is one of the largest furniture retail groups in the world.

## History

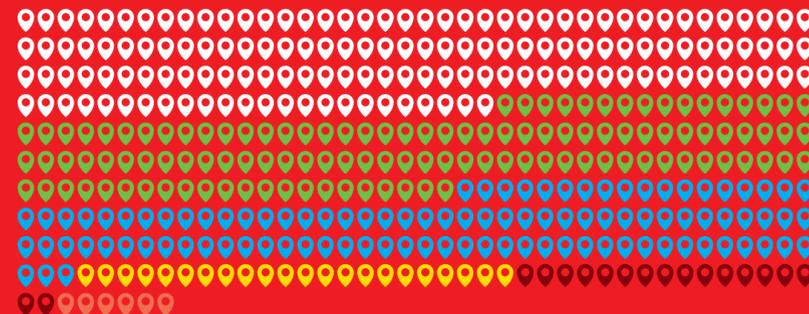

Founded in 1945, the company commenced business in the original company building in the Austrian municipality of Haag am Hausruck. Chip boxes and painted alpine farmhouse furniture in traditional craftsmanship style were the first products the young company put on the market. In 1990, the XXXLutz group of companies entered the German market. In 2000, expansion to the Czech Republic began. Since 2008, XXXLutz Group has also been present in Hungary, the Czech Republic and Slovakia with its discount furniture retailer Möbelix. Since 2010, XXXLutz Group has continued its expansion to the southeast of Europe, Sweden and Switzerland. In 2018, the market entry into Romania was set. Serbia followed in 2019. Furthermore, the group already runs 24 online shops for XXXLutz, Möbelix and mömax.
